SUMMARY

Dedicated Full Stack Developer with 1+ years of experience building web applications using ASP.NET MVC, C#, and React.js. Successfully delivered commercial projects for international clients (Australia) at Vision Technosys. Have strong grasp of backend logic and SQL databases. Passionate about coding, problem-solving, and learning new technologies.

WORK EXPERIENCE

Vision Technosys, Jalandhar, Punjab | November 2024– January 2026

ASSOCIATE SOFTWARE DEVELOPER

- **Core Development:** Developed and maintained scalable web applications using ASP.NET MVC and C#, ensuring code quality and system performance .
- **Project 1:** Job & Workforce Management System
 - Developed a subscription-based SaaS platform to manage employees, tenders, and operational workflows using React.js and SQL Server.
 - Built Employee & Site Management modules and engineered a Tender Lifecycle system to centralize business operations.
 - Implemented automated reporting, allowing users to generate and download operational reports in PDF and Excel formats.
- **Project 2:** Ezy Finance Deals
 - Built an embedded finance platform with smart loan calculators using React.
 - Integrated third-party APIs (Quickly, Calendly, LoanOptions.ai) to streamline the user journey from loan discovery to booking.
 - Optimized the frontend logic to improve load times and enhance customer engagement.
- **Collaboration:** Collaborated with the testing team to troubleshoot critical bugs, improving overall application stability.

EDUCATION

Sant Baba Bhag Singh University, Jalandhar, Punjab | 2019 - 2023

B.Tech Computer Science and Engineering

CGPA - 7.1 (Equivalent to 71%)
